

SENATOR MILLS: Mr. President, members of the Legislature, Senator Bereuter, I think I talked to you about the amendment that I was going to offer on LB 411. It is found....

SENATOR MARVEL: Senator Mills, I'm sorry but we just uncovered a bracket motion by Senator Bereuter which takes precedence over yours. I'm sorry.

CLERK: Mr. President, Senator Bereuter moves to bracket LB 411 until February 22nd.

SENATOR MARVEL: You ask for unanimous consent to bracket it? Is there any objection? Senator Lamb, you object? There is an objection. Do you wish to move, Senator Bereuter?

SENATOR BEREUTER: I have a motion to that effect. Yes, I move we bracket it until tomorrow. I'd like to explain that.

SENATOR MARVEL: Is there a second to the motion? The motion and the second is to bracket LB 411 until tomorrow.

SPEAKER LUEDTKE: Bracket or lay over? Bracket, it will never come up tomorrow if it's bracketed.

SENATOR BEREUTER: I move

SPEAKER LUEDTKE: It won't come up for considerable time if it's bracketed.

SENATOR BEREUTER: Mr. President, in that case, not wishing to delay it indefinitely I would ask that the bill be laid over until tomorrow. I am having difficulty sorting through the amendments. I have a research person working on it because Senator Lamb and Senator Mills' amendments are too complex, taken together, for me to sort through it.

SENATOR MARVEL: The Chair will rule that the motion at the moment is a unanimous consent motion that the bill be laid over until tomorrow. Is there an objection? Senator Lamb, do you object? Senator Mills. I interrupted you.

SENATOR MILLS: I noted that. And I take your apology in the best of stride.

SENATOR MARVEL: Okay. I appreciate your magnanimity. The motion to bracket LB 411...unanimous consent motion. There is no objection. So ordered. The next bill is 446. Before we take up 446, Senator Labedz, we're going to take up 407A and attempt to advance it to keep up with 407. Mr. Clerk.

CLERK: Read title to LB 407A.

SENATOR MARVEL: We need a motion to advance the bill? You so move?

SENATOR LABEDZ: Yes. I make a motion to advance LB 407A.

SENATOR MARVEL: Is there a second to the motion? The motion is made and seconded to advance 407A to E & R for review. Is there any discussion? The motion is to advance 407A to E & R for review. All those in favor vote aye. Opposed vote no. Voting aye, Mr. Clerk.

CLERK: Senator Marvel voting aye.
